Re: Freedom of Information Act

Dear Freedom of Information Officer:

Under the provisions of the New York Freedom of Information Law, Article 6 of the Public Officer's Law ("FOIL"), I request access to the following records¹:

- All records maintained by the Environmental Protection Agency, including but not limited to letters, memorandums, notices and reports concerning the real property located at 37 Washington Avenue, Suffern, New York which is owned by Avon and known as the Nail Enamel building.

The building on the subject property was constructed in approximately 1930 and has been used for industrial purposes since that time.

If this request fails to reasonably describe the records, please contact me in writing or by phone at 914-946-4777. Electronic production of responsive records is preferred. If responsive records are available in hardcopies only, I will pay the statutory production cost of \$0.25 per page, subject to advance notice if the estimated production cost exceeds \$50.00. If this FOIL request or any portion hereof is denied, please communicate the reason for your denial of access in writing as soon as possible. Please notify me when these documents are available as well as the cost for copying same.

¹ FOIL defines the term "record" as:

"... any information kept, held, filed, produced or reproduced by, with or for an agency or the state legislature, in any physical form whatsoever including, but not limited to reports, statements, examinations, memoranda, opinions, folders, files, books, manuals, pamphlets, forms, papers, designs, drawings, maps, photos, letters, microfilms, computer tapes or discs, rules, regulations or codes."

N.Y. Pub. Off. Law §86(4) (McKinney's 2016).

Records Access Officer

Page 2

As you know, the Freedom of Information Law requires that an agency respond to a request within five (5) business days of receiving the request. Therefore, I would appreciate a response as soon as possible and look forward to hearing from you shortly. If for any reason this FOIL request is denied, please inform me of the reasons for the denial.

Very truly yours,

Vidya Singh
